Buxom blonde Barbie is clearly a fan of a bit of rough and tumble. But when she's got a horny hubby with a bigger sex drive than she has, that isn't surprising. "My bloke works away a lot so he likes to make up for depriving me of sex. From the minute he gets home he's ramming his cock up me – even if I'm halfway through the housework – until the minute he leaves. I don't think I've ever been covered in so much spunk from one man. I haven't got the heart to tell him I keep my cunt satisfied with a few of the neighbours when he's not around!"

## Hot stuff

**D**uring our recent cold spell my husband Mark was working away and with the roads at a standstill he decided to stay in a hotel until the weather cleared up.

Being on my own I needed to clear the driveway and decided to have a go myself. I had noticed a young lad clearing the various houses nearby but he had moved on.

I started shovelling the snow and was soon getting so warm I had to take my coat off. Being a large-breasted woman and wearing a thick jumper my large tits were soon swinging about.

It was very difficult with all the thick ice and just as I was about to give up a voice said,

"Do you want a hand, love?"

On looking up it was the fella, Paul, who was doing the snow clearing. I said yes and knew as he was talking he was taken by my large tits.

With a grin he asked me where I wanted him to start, so I said the driveway.

On finishing the driveway he asked me if there was anything else. I told him he could do me.

**He had a massive hard-on and was soon licking my nipples. As he did this I put my hand in his trousers and wanked his cock.**

Paul sat me in a bamboo chair, opened up my legs really wide then gave me a good licking out.

It felt lovely as his tongue licked at my clitoris then my sopping wet hole. He did this for a good few minutes then wanted me to suck his cock.

I licked up and down his shaft then licked around his helmet. He then put his cock to my lips as I took his

length. He held my head as he fucked my mouth and occasionally squeezed my tits.

I was gasping for cock now and Paul wanted me too. Parting my legs and getting them back as far as he could, he got on his knees between me and rammed his throbbing penis up me.

Sucking at my hanging tits and pumping me really hard Paul's girth really stretched me and it felt so good.

With a big groan Paul squirted a good load of spunk in my cunt then withdrew. His cock glistened as he showed me his sticky helmet.

It may have been a cold day but I was certainly warm inside after that bit of cock up me!

## Lucky lad

**M**y last work Christmas do was very eventful.

As soon as I arrived I was bought drinks from the guys so you can imagine it didn't take me long to start feeling pissed.

I was asked for Christmas kisses by some of them. They went from a small peck to a full on-the-lips snog.

I was starting to get wet between the legs when a young lad called Mark came up to me and told me how stunning I looked.

He was only 18 so when he asked me for a kiss how could I refuse?

His tongue went straight down my throat. This lad knew how to kiss.

**I pulled him closer to me. That's when I felt something big pushing against me – his cock.**

We stopped our embrace and I went off to dance but I couldn't get Mark's cock out of my mind. As I danced I looked round and could see him watching me. I beckoned him over and he joined me for a slow number.

He grabbed me and pulled

me close. His cock was still hard, my big tits were pressing into him and he asked to feel them.

He told me he was going to have a wank over the thought of my tits when he got home but I told him he could fuck me that night if he wanted.

We went outside. It was fucking freezing but my thong was getting wet with excitement.

His hands were all over my body, feeling my tits and squeezing my arse. I put my hand down to feel his cock getting harder.

Before I knew it he had pulled my top down and was sucking on my tits. I pulled his zip down and released his cock.

I took it in my mouth. I didn't want him to shoot his load down my throat – not yet, at least.

I wanted that cock in my cunt first so I just gave him a few wet sucks up and down his shaft and stood back up.

Mark then put his hand up my skirt. I spread my legs, he pulled my

thong to one side and I was so wet his fingers slipped straight into my cunt.

I pulled my skirt around my waist, he grabbed hold of me and aimed his cock at my wet throbbing pussy.

I felt such a slut but I didn't care. Mark was banging away on my pussy and it was so good. For a young lad he could fuck all right.

He had already made me cum as I felt him start to fuck quicker and soon felt his spunk squirting inside me.

**I hastily pulled his cock out and put it in my mouth as I wanted to taste his young cum.**

Once I had sucked him clean we tidied ourselves up and returned inside to the party. As soon as I walked in my boss grabbed me and gave me a full-on kiss, tongues and all.

I wonder if he knew that he was getting a taste of Mark's cum?

## Letters to Julia

Dear Julia, Being ardent swingers, finding my hubby wanking over possible fuck partners isn't unusual. But seeing Jane from Essex in vol 29 no 2 even I was frantically fingering my

pussy looking at her baring that beautiful arse. And on my reaction, my husband Steve was quick to have me in a similar position before getting down behind me and then licking and sucking both my needy holes. Needless to say we'll be contacting Jane (and her boyfriend) as soon as possible. My hubby wants to fuck her arse hole – and so do I! I bet you wouldn't mind either, would you, Julia?  
*Jo, Halifax.*

**J**ulia says: You naughty boy! Who says I haven't already? That's one of the perks of working here, I get to pass my judgement on all the wanton wives long before the magazine is printed. But one thing's for sure – they're always eager for more!

Dear Julia, Where did you find Nicole, the gorgeous 40-year-old brunette in vol 29 no 3? She is my idea of the ideal woman. Mature but still fit as fuck and by the sounds of it

she's extremely dirty. Let's see more of her in *Escort*, please!

*Jamie, Darlington.*

**J**ulia says: We didn't find Nicole, she found us! Like most of the wives we feature she sent us some naughty snaps and a very dirty letter and the rest is history!

# Jenni

Beautiful blonde bint Jenni has a pair of pussy lips that look so appetising even these photos of her leave our mouths watering. So it's just as well she enjoys the feeling of a fella feasting on her flaps. "My pussy is so sensitive," she begins. "When I'm playing with my twat that's one thing but when some guy is licking me out — it just drives me over the edge. I'd make my last boyfriend eat me out for hours and make me cum several times a night. Unfortunately he got a bit pissed off with the lack of attention I paid to his cock!"

# REAL WIFE SEX

**When her boyfriend's away Lexi likes to play for the other side – and not just doubles...**

*Lexi, 23,  
Gravesend*

**M**y boyfriend works abroad quite a bit and what he doesn't know is that when he's out of the country I like to keep myself occupied with Jane, a girl I've known since we were at college together a few years ago. When I say known, I mean fucked.

We've been having lesbian sessions with each other for as long as I can remember and every time my fella is away, Jane comes round and keeps me company in bed. However, while he was on his last trip I had an unexpected bonus as Jane brought along

another of her girlfriends and we ended up having a lesbian sex marathon.

When Jane arrived one evening with Katy I instantly knew what her idea was.

Katy was only 19 and was dressed like a right tart with denim hot pants that showed off her amazing legs. You can't understand how much I wanted to get between those legs.

We didn't take long to get down to business and Jane suggested we all have a bath together, knowing that I've got one of those round spa-style baths big enough to hold

three or four people at once.

As I ran the bath, Jane cracked open a bottle of wine and we toasted our new guest. While the bath was running I found out that the only woman Katy had been with before was Jane, so she was excited by the prospect of someone new.

I told Katy it was exactly the same situation for me, even though I'd lost count of the amount of other girls I've snogged in the past. One thing was for sure, I'd

**I slid a finger  
up my hole**

never had an all-girl threesome.

When the bath was ready, I was the first in there. Jane and Katy got undressed and then stepped in after me. I could see Katy was shaven completely bald down below – just how I liked it.

Once we were all nice and relaxed I told Jane and Katy to snog. They turned to each other and started probing each other's mouths with their tongues. And there was clearly some stuff going on under the water as they both groaned during their embrace.

While I watched the two of them at it

I reached down and started to rub my pussy. I slid a finger up my hole and pulled it back and forth, getting even more turned on with each stroke.

I was just about to slip off into my own fantasy world when Jane asked if I wanted a bit of Katy. Too right I did.

I leaned forward and our lips met. Then

stuck three of hers up me. Then I went for four and so did she until we were practically fisting each other in the bath.

As Katy and I were so preoccupied with fingering each other Jane stood up and offered her pussy to both of us. Being the host I let Katy have it first and watched with awe as she buried her face in Jane's cunt.

## She kept tonguing away

I still had one hand up Katy's snatch but used my other to stroke Jane's thighs. She was whimpering with delight in no time at all and I egged Katy on to give Jane the first orgasm out of all of us.

Sure enough, she kept tonguing away and eventually Jane's knees buckled and

our tongues intertwined and the next thing I knew she was rubbing at my hole. I moved my hand away and let her stick a finger up my slot.

As her finger sank deep inside me I reached out to stroke her smooth pussy. It felt perfect under my touch and I immediately stuck two fingers up there.

This seemed to inspire Katy and she

## Lust resort

**W**e have recently been on holiday and although the resort itself was pretty quiet the holiday is indeed what you make it.

On our last night there the entertainment guy at the hotel had organised a night out and

were arranging to meet back at the hotel. En route I texted my partner and told him to get on our balcony and look over the pool.

I met Justin by the pool and offered him a private sexy dance, knowing my partner would be watching too. I sat him down on one of the sun loungers and began to tease him slowly.

I started some sexy moves in front of him, and while turning around took some cheeky glances up to my balcony where I saw

end of the sun bed checking the balcony before finding my next position.

My partner was now wanking and had moved forward a little more but was still trying to stay out of sight so Justin couldn't see him.

**I crouched over Justin and unbuttoned his jeans. His cock was hard and I started sucking it.**

I built up more speed and Justin's thrusts got harder. Knowing he was getting close to cumming I pulled away and straddled him, easing his cock into my juiced pussy.

The tightness felt great as I rocked up and down on his pole. I rubbed my clit and felt my body approaching orgasm.

This was his cue because I felt him go stiff and then the feeling of his warm spunk flooded my insides.

I climbed off his cock and licked it clean while he licked my juicy pussy until I came. We then said our goodbyes and I returned to my fella.

He was waiting for me with a hard-on. He said he had

we were well up for it. We were on a mission to get as many people along as possible and I was quite pleased to see a guy called Justin, who had been eyeing me up by the pool all week, was coming.

**He was a right hunk and I'd secretly been thinking about him fucking my cunt and cumming inside me.**

On the night we went out we all had a few drinks in the hotel bar before hitting the town. In the first bar we went to myself and some of the girls started doing sexy dance moves on the podium.

This caught the eye of Justin and he came over to chat to me. Minutes later we

one shadow hovering there.

This spurred me on so I pushed Justin down on the sun lounger

and straddled him. I lowered myself so that I was just above his crotch and able to gently rub myself against his semi-hard cock.

I leaned forward to kiss him while straddled over him and the sexual tension was electric. He kissed me back, grabbing my tits and letting his hands roam my body.

I got off and walked to the

**We went to the balcony, he bent me over and started fucking me from behind.**

My pussy was already feeling used and abused and after my partner had finished with it that night it needed a holiday itself!

## Nice build

**W**e're having building work done and since my husband goes to work very early I let the three builders in and then get ready for work myself.

**My husband and I both share a fantasy that he would watch me being taken by another man.**

The builders meant our fantasy could finally come true! On the first morning I could

ing the guys loads of naughty glances.

I made sure they knew I was going for my shower and waited to see if they would follow.

I left the bathroom door slightly ajar. At first I thought they had not taken the hint but then I saw two faces at the door watching me take my shower.

I pretended not to notice them and continued showering, making sure they had

suddenly I saw my husband appear from behind the door with a huge grin on his face.

He nodded to the lads and they both stepped forward and started to play with my tits and stroke my wet pussy. I had been set up by my husband!

With a smile, I turned my back on the lads to finish drying my legs. I suddenly felt some strong hands on my hips and a huge cock pressed against me.

I looked behind to see my husband's eyes widen with excitement as the head of Marcus's wide cock was slowly eased inside my pussy.

Paul came around and put his cock into my mouth. I tried to suck him off as I was

being fucked from behind with the biggest cock I had ever felt.

**I became frantic with lust and orgasmed on Marcus's cock, just as he came deep inside my pussy.**

The lads changed ends and soon I was being fucked hard again. Paul's cock was longer and I soon screamed with uncontrollable lust as he came inside me. I orgasmed again, hard.

I remained on my hands and knees for a while, dripping cum and exhausted.

My husband told the men to have a tea break and whispered to me that he would deal with me firmly later on. And he certainly did!

hear the work going on downstairs so I thought it was safe to take a shower.

I was just towelling myself down when one of the young builders burst in wanting to use the loo. He apologised and made a hasty exit.

That night I spoke about the young builder to my husband. We both got very excited by the idea of the young man seeing me naked.

We agreed that I should flirt with them some more and hopefully get some serious sexy action.

The next day after the tea had been delivered I was giv-

a clear view of my slippery body.

I eventually got out and towelled myself down. The door was wide open now and I let out a mock squeal of surprise. I noticed both lads had huge erections beneath their tracky bottoms.

They both took out their cocks in front of me. Marcus's cock had an enormous girth while Paul's was simply huge.

**The sight of these impressive manhoods was making me extremely wet between the legs.**

I was contemplating what my next move was then

# I Made CONTACT

Thousands of horny readers have met through Escort Contact – and this is where they tell us what happened...

**CHER, DEVON.**

38F, 39 years old. Top Dogging, p. 26. "I go dogging every weekend and my fella really likes watching me peel!"

Cher and her fella sounded well up for sharing in vol 28 no 12, and their dream came true...

## Dear Escort,

After exchanging mail with another bi-fem for about a month we eventually decided to meet – and have a girls' night in.

Kiomi arrived and at first we just chatted but thoughts were running through both our minds. I was thinking I wouldn't mind having a go on her juicy pussy.

It took until my husband to get home though for things to get going. Kiomi said she would stay overnight at ours so we went to my bedroom to find her a nighty. When she stripped out of her clothes I took my chance and started kissing her.

As our embrace got harder I suggested we go back downstairs and put on a show for my husband.

We sat on the sofa opposite him and started stroking each other's legs. I could see my husband had a bulge in his trousers.

I turned to Kiomi and kissed her with our hands moving closer to each other's pussies while my husband got his cock out and started having a wank.

I showed Kiomi what he was up to and asked if she wanted me to keep rubbing her pussy. She did and I felt how dripping wet she was. I then slowly pushed my tongue into her pussy. She

was wriggling on the sofa enjoying my tongue rolling over her clit. Then I started fingering her wet hole.

At this point my husband was wanking

furiously and really wanted to join in. I told him to give us five minutes and then join us in the

at me for approval and I told her to go ahead.

After a while I moved up the bed and now both of us were sucking on his rock-

bedroom.

Kiomi and I went upstairs and got completely naked on the bed. I went down on her again and tasted her sweet juices.

She was enjoying it so much she was making lots of noises, which prompted my husband to join us. He got undressed and moved up behind me with his stonking hard-on.

As I licked out Kiomi he slid his cock inside me telling us what naughty girls we had been.

After pounding me hard for five minutes he walked over to Kiomi, offering her his cock to suck. She looked

hard tool. He was horny as hell so we stopped giving him head and all moved round the bed.

My husband started doing Kiomi doggy style while she was munching away on me. Then I decided to get my strap-on dildo out and got her to ride me.

She rode me so hard she ended up cumming and needed a rest so we swapped over with the strap-on and she fucked me till I came. My husband finished off over both of us.

Next time we want to get another man involved in our filthy fun.

# Anna

The writing's on the wall for mucky mare Anna, someone really should give her an ASBO for her outrageous antics. "I'm desperate to have my fanny filled so I'm going to start advertising in public toilets," says the 26-year-old tagging for a shagging. "I've already met a few fellas off a sex site on the internet. I even had two of them come round to my place at the same time and fuck me at either end. It was great being in the middle of them – I just wish I could have three cocks inside me now!"

# REAL WIFE SEX

*Lexi's story continued from page 21*

she had to perch herself on the edge of the bath as she came.

I wanted some of that action so I sat myself next to Jane, spread my legs and got Katy to tuck in. She must have had a really long tongue or something because it was darting around my deepest nooks and crannies.

As Katy licked me out, Jane positioned herself behind her and started lapping at her young cunt. It seemed like every tongue stroke delivered by Jane to Katy was being passed on to me and after about five minutes I was privy to an almighty orgasm.

I couldn't stop moaning as Katy teased the juices out my snatch while still trying to control herself under Jane's oral service. I was so intent on returning the favour to Katy I insisted we get out the bath.

I led them to the spare room where

I kept my dildos and got Katy to sit on the futon. Then Jane straddled her face while I flicked the switch on my vibrator and moved in for the thrill.

I ran the phallic end of my buzzing toy over Katy's pussy lips. She trembled with each stroke and then groaned when I slid about an inch of it into her hole. Between licking out Jane's cunt she

***I was privy to an almighty orgasm***

begged for more and I slowly pushed it all the way in.

As I rammed the dildo in and out of Katy's pussy I was desperate to make her cum but she was a hard one to please and made Jane climax for a second time first. Once again Jane's legs

went to jelly with her orgasm and she had to take a seat to recover.

When Jane was ready again she took control of the dildo and I straddled Katy. The young girl's tongue was relentless and once again it was pleasuring my pussy until Katy showed signs of coming.

When her deft tongue-work started to decline I leapt off from on top

of her eager to help make her cum. I told Jane to pull the vibrator out and together we tongued Katy's pussy until we were rewarded with her prolonged screams of pleasure and then a slow but abundant trickle of her love juices.

We were all knackered after such an invigorating threesome but I knew we were in for a long session. Fortunately my boyfriend wasn't due back for a few days so there were a lot more orgasms in store for the three of us! 🍆

**Curvy Camilla is the sort of neighbour we wish we had! Instead of playing loud music at two in the morning or kicking footballs over the fence, she always gets shagged with the curtains open! "I'm a real exhibitionist," confesses the Suffolk lass (22). "The thrill of knowing people can see me getting fucked, with my tits jiggling all over the place and my peachy bum in the air makes sex even better. And if they can't see me, they'll certainly hear me. I love to cum loudly!"**

## Meat feast

**M**y girlfriend Jayne loves having extra cock to play with and one evening I watched her in action.

We had gone to a medieval re-enactment with the local Historical Society followed by a banquet.

I was dressed as a lowly soldier and was well down the table, but Jayne was a serving wench and her attire left little to the imagination.

Her off the shoulder gown was barely covering her ample breasts.

The food and wine flowed and much revelry was forthcoming with singing, shouting and dancing.

The king, played by the chairman of the society was paying close attention to my

**Jayne,  
Stafford**

girlfriend and I could tell he was getting frisky with her as she filled his mead goblet at regular intervals.

She glanced over to me with a look that confirmed she thought something was in the offing, I gave her a knowing wink to let her have my approval.

The very next time his vessel was empty he beckoned to her once more.

She leant over even more provocatively this time and he pulled her

into his lap.

Her back was to the majority of the room but from my vantage point I could clearly see his hand disappear up her long skirt.

This really gave me the horn, knowing she had no knickers on!

**She glanced over to check if I had seen him touching her naked wet pussy.**

He was clearly fingering her roughly and I could see Jayne's eyes close as she enjoyed the attention.

His spare hand knocked her dress from her shoulders and her gorgeous boobs fell free

## Party pack

**M**y wife Sarah loves it when I watch her getting fucked. Recently we went to London for a weekend of sex and that's just what it was.

We arrived at our hotel and at the bar we got served by

a black guy called Barney who took an instant liking to Sarah's big tits and long legs. He told us there was going to be a party tonight and we were welcome to attend so we took him up on his offer.

At the party he introduced us to another couple called Ray and Kath. Ray spoke

to Sarah while stroking her arse. I gave Sarah the nod to carry on.

I discovered Kath's stocking tops and being very forward Kath started to rub my cock through my jeans. Sarah and Ray moved to one of the bedrooms and Kath and I watched Ray lick Sarah's cunt.

**Sarah was yelling as Ray's tongue flicked away at her clit.**

Her legs were over her shoulders and Ray rammed two fingers up Sarah's wet cunt.

Kath casually took off her clothes and lying down

she started playing with her cunt and tits. I undressed and joined her on the bed.

Kath grabbed my dick, rolled back the foreskin and started to suck it like mad.

I looked over and saw Sarah sucking Ray's cock while he groped her massive tits. Kath knelt down on the bed and told me to fuck her cunt hard.

I spat on her cunt and nudged my cock in nice and slow at first but then she demanded it harder and faster.

Prompted by our antics Sarah lay Ray on his back and lowered her throbbing fanny onto Ray's thick pole. She bounced up and down, her tits shaking all over, her nipples solid and rock hard.

All the screaming and fucking brought Barney into the room and Sarah invited him over.

**She took his shorts down to reveal a massive cock, probably the biggest Sarah had ever seen.**

Ray was still pumping away at Sarah's cunt as she took

**Sarah,  
Manchester**

for the entire table to see.

She looked excited and dizzy as the moment caught her and she fumbled for his tights to release his manhood.

Jayne wanked his cock to full hardness and with her long skirt covering the action he slid inside her easily and fucked her as she writhed on top of him.

The majority of the room was watching as she came loudly when he filled her wanton pussy with hot cum.

When it was over she looked really rampant with

lust and chose three soldiers to accompany her to the kitchen area. She then beckoned me to come and watch.

**In turn the three soldiers were naked as she sucked and fucked them for quite a time, all three either cumming in her mouth or pussy.**

Suddenly we were left alone and I went over to her. She released my cock and though her pussy was aching and sore, within seconds I had added my seed to her slutty wet hole!  
*Pete, Stafford.*

Barney's cock and wanked it into her mouth.

**Kath's cunt was soaking as I fucked her and she screamed into orgasm as I shot my hot creamy spunk up her wet love-hole.**

We had an audience in the room but we never stopped. Barney and Ray both came at the same time – Ray up Sarah's cunt and Barney all over her face and tits.

Kath sucked my cock hard again and demanded I

do her bum. Kath got on all fours with her tight arse up in the air. I licked her hole and rubbed my fingers round it.

When Kath's arse was wet enough I nudged my prick against her willing hole and slid in, building up a steady rhythm to pound her.

I managed to fuck her for ages until I shot my load up her arse, then took my cock out so Kath could lick the dripping spunk off my dick.  
*Tony, Manchester.*

## Silver service

**M**y boyfriend Dave's company recently celebrated their 25th anniversary with an expenses-paid night at a hotel in London.

As you can imagine, the drinks flowed and we were both very merry. We had teamed up with my colleagues Simon and Louise who were a great laugh and both extremely sexy.

As the night drew to a close we suggested going back to our room with a couple of bottles of wine. The talk turned very sexy and suggestive, but unfortunately Louise was so drunk they decided to go back to their room.

Dave and I couldn't hold back and as soon as the door shut we tore at each other's clothes and began the most passionate love making session ever.

**I pushed Dave on to the bed and sucked his cock until he was rock-hard and then demanded that he fill my aching pussy.**

Just then came a knock at the door. Dave looked through the spy hole and to my surprise he opened the door.

Simon was standing in the doorway and got a clear view of my naked body and soak-

ing wet pussy and followed Dave's instructions to take off his clothes.

Before I knew it I was being pleased by two hunks licking, sucking and fucking until they exploded all over my lips and tits. I came on Simon's cock while Dave was embedded in my tight arse for my first ever DP.

It turned out the boys had planned the night and Louise was completely unaware, which made for a sexually-charged breakfast the next morning!
